“WINDOWS INTO HEAVEN” *

The list above is of the icons I am proposing to obtain for Mercy House: new house of hospitality and library at Marymount Hermitage in Mesa, Idaho. It is not an exclusive or exhaustive list. I am planning on purchasing these listed icons from Monastery Icons, but I am looking for others, such as for Edith Stein, Dorothy Day and Father Damien of Molokai, from another company. The icon size chosen will be 11” x 14” prints mounted on wood. The cost of each with shipping & handling is about \$56.

I welcome donations for or questions about this project. Thank you for keeping Marymount Hermitage and me in your prayers. God bless you!
