

MERCY HOUSE

NEARLY COMPLETE

September 15, 2017 up-date

By Sister M. Beverly, HSM

The door of Mercy House is “red pepper”. Why red? It is the color of mercy. The icon of Divine Mercy given by Sister Rebecca Mary graces the front door. In time, there will also be a sign on the door: “MERCY HOUSE: Library and House of Hospitality...All are welcome!”

Construction details which remain in the interior of the new building are minimal. Three outside stone pillars are finished, but the stone mason needs more materials to complete the fourth pillar of the porch. The propane tank has yet to be installed, so the fireplace can be fired up. So that is the report to date: NEARLY COMPLETE.

The next phase will involve the great labor of transporting the books from the old library. Icons need to be purchased. Furniture and appliances from the old common house will be brought for the kitchen/utility room. New couch for the parlor

and custom-made boot bench for the foyer need to be delivered. God bless you for your gifts. Thank you for your prayers!
